

1,000 Books before Kindergarten

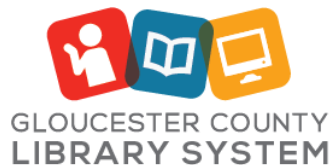

Research shows that reading books and sharing stories with your child is one of the best ways to help them enter school with the language skills they need to be ready to learn and grow.

Here's how to participate:

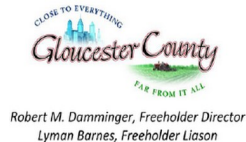

- Pick up your Reading Log at the Library.
- Write down all of the books that your child reads or is read to them. Remember to include stories that your child hears at library storytimes, in preschool/daycare, etc. Any and all books and stories count!
- When you've logged 25 books, bring the completed log back into the library, pick up your prize, and get the next Reading Log.
- If you read 4 books a week, your child will have read 1,000 books in 5 years!

Challenge your family to read 1,000 books before Kindergarten-It's a great way to have fun and motivate the whole family!

Help your child select books that appeal to their interests.

Children often enjoy repeat visits with the same book or story, so you can count the same book or story multiple times!
