POLICIES

MakerStudio@GCLS

1. Makers must have a valid GCLS library card or a valid library card from a LOGIN consortium member library. Guest passes may be issued for out of county residents with proper ID.
2. Makers must complete a Maker Agreement form.
3. Makers must “check in” with the designated GCLS staff member on duty, using their library card, and sign the guest book each time they use the MakerStudio.
4. Makers under age 13 must be accompanied by a parent or guardian at all times. Parent/guardian supervision is required for all minors, as the MakerStudio contains potentially dangerous tools and the MakerStudio Jr. may contain small parts not suitable for children under the age of 3.
5. Makers under the age 18 or those inexperienced with sewing machines must attend a sewing class before using the serger.
6. Makers must participate in mandatory safety training in order to use the 3D printer and vinyl cutter, and for any tools acquired for the MakerStudio@GCLS in the future that are determined to require safety training. Makers may not use these tools until safety training and certification has been completed. Makers must attend safety training in person.
7. When using a tool that does not require specific safety training, the Maker is certifying that he/she is capable of using that tool or equipment in a safe and proper manner.
8. MakerStudio@GCLS staff is available to assist in explaining operation of tools and equipment, and will make materials such as manuals available upon request.
9. The MakerStudio@GCLS provides the Maker with access to safety supplies in the studio, such as safety glasses, gloves, First Aid Kit, and fire extinguisher.
10. Unless previously scheduled for use by staff, most tools and equipment are available to Makers on a first come, first serve basis, for use in the MakerStudio@GCLS space only.
11. The library reserves the right to refuse entry to, or remove from, the MakerStudio any persons who are in violation of the library’s code of conduct.

12. The Library's 3D printer is available to the public to make three-dimensional objects in plastic using a design that is uploaded from a digital computer file.
 - a. The Library's 3D printer may be used only for lawful purposes. The public will not be permitted to use the Library's 3D printer to create material that is:
 - i. Prohibited by local, state or federal law.
 - ii. Unsafe, harmful, dangerous or poses an immediate threat to the well-being of others. (Such use may violate the terms of use of the manufacturer.)
 - iii. Obscene or otherwise inappropriate for the Library environment.
 - iv. In violation of another's intellectual property rights. For example, the printers will not be used to reproduce material that is subject to copyright, patent or trademark protection.
 - b. The Library reserves the right to refuse any 3D print request.
13. GCLS is not liable for any damaged material or media belonging to persons utilizing MakerStudio@GCLS equipment or facilities.
14. The copyright law of the United States (Title 17, U.S. Code) governs the making of copies or other reproductions of copyrighted material. The person using library equipment is liable for any infringement.

Approved by the GCL Commission 6/25/14.

Amended 11/25/14.

Amended 12/16/15.

MAKER RESPONSIBILITIES

MakerStudio@GCLS

1. The Maker agrees that the Gloucester County Library System is not responsible for any manufacturing defects in the quality of workmanship or materials inherent in any of the tools or equipment.
- 2 The Maker agrees that if any tool or piece of equipment becomes unsafe or in a state of disrepair, he/she will immediately discontinue use of the tool and notify the MakerStudio@GCLS staff.
3. The Maker agrees to report any accident or incident that occurs on MakerStudio@GCLS premises to a staff member.
4. The Maker agrees that items used in the MakerStudio@GCLS are to be left in the same condition as they were prior to being used, barring normal wear and tear. The Maker agrees to pay for the loss of or damage to any items and further agrees to accept the Library staff's assessment of fair restitution for damage, dirtiness, delinquency and/or loss of items in part or total. This restitution amount could equal as much as replacement cost of the item.
5. The Maker agrees to return items used in the MakerStudio@GCLS to their original location. Storage units and spaces are labeled in order to facilitate the proper return of tools.
6. The Maker agrees to take precautions to avoid causing unnecessary mess or damage in the MakerStudio@GCLS. The Maker agrees to clean up his/her workspace in the MakerStudio@GCLS following use, returning the workspace to its original state. The Maker agrees to inform the staff member in the case that they are unable to return a work surface, tool or equipment to its original state.
7. The Maker acknowledges that the library is only able to provide consumable materials on a limited basis. The Maker agrees to avoid wasting consumable supplies and materials.

Safety Guide

Read this information before you begin a project.

Supervise minors. It is required that anyone under age 13 is supervised by a parent or guardian in the MakerStudio at all times. But supervision is highly encouraged for families of all ages, as the MakerStudio contains sharp, hot, and potentially dangerous items. Younger kids should be encouraged to try our MakerStudio@GCLS Jr., which features hands-on activities for children under age 9.

Get “Certified.” Certification is required of all MakerStudio@GCLS users who want to use the vinyl cutter or 3D printer. Certification is also required to use the serger sewing machine if you are a maker under age 18, or if you haven’t operated a sewing machine before. Ask us for a schedule of classes. Certification training is scheduled by appointment. Contact make@gcls.org to schedule an appointment.

Review the Health and Safety sheet before using the **Virtual Reality headset**. Wearing the Virtual Reality headset is for **ages 13 and up** and for temporary use only.

Focus. Do not distract others or let yourself be distracted when using tools.

Keep hands, fingers and hair away from the blades or other moving parts of equipment.

Maintain a safe work area.

- Keep area free of debris and clutter while working.
- When using blades, always close or cover the blade if possible when not in use. ● Let hot items cool first.
- Clean up after you’re finished working.
- Return tools to their proper storage area when not in use.

Wear proper attire & safety equipment.

- Safety glasses and gloves are available in the MakerStudio.
- Wear closed-toed shoes.
- Tie back long hair.
- Avoid dangling jewelry.
- Wear clothing appropriate for the activity being performed.
- Keep sharp tools out of pockets.

Notify staff if you experience an injury or if a tool isn’t working right.

Ask us if you have questions about proper operation of equipment or tools. If we don’t know, we can help you find the answer.
