**Movie Review of Divergent**

The movie Divergent is thrilling, action packed, and suspenseful. It was a great book but an even better movie! There are 5 factions that are created after the huge war that devastated the world. The 5 factions are Abnegation (Selfless), Erudite (Intelligent), Dauntless (Brave), Amity (Kind), and Candor (Honest). Tris is from Abnegation and is not sure which faction she will pick on Choosing Day. If she picks a different faction to join she will not be allowed to see her family ever again!
