Author Lauren Kate has done it again. After her second book, Fallen, she has written Torment. An exciting book about a love that can never be. Torment gives more away about Daniel, Luce, and their never-dying love. Fallen angel Daniel has been cursed to love Lucinda Price for all eternity. This book is all about how Daniel moves Luce to California where she will discover secrets she was never supposed to know. At her new school, Luce finds out that there are more than just angels and demons, there are also Outcasts and the Elderly Group, too. Read this amazing book to find out what secrets and adventures Luce and Daniel come across and conquer with their never-dying love. (To find out how their story ends read their whole series! Betrayal, Fallen, Torment, Passion, Fallen in Love, and Rapture.)
