

Rules and Regulations for attending Outdoor Programs

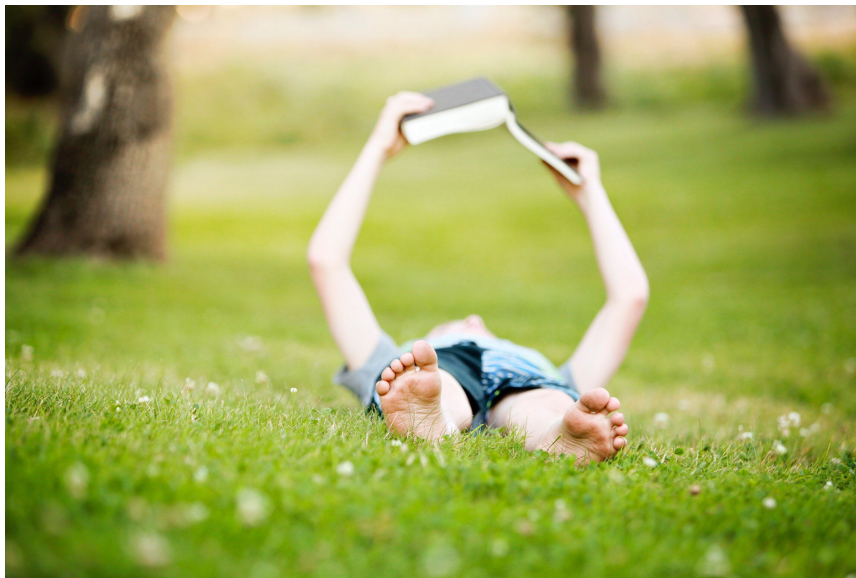

Due to COVID-19, we are unable to do indoor programming, so we are bringing programming outdoors!

Participants are encouraged to bring a blanket or lawn chairs.

Masks are required for attendees over the age of two years old. Individuals/Families are asked to observe a distance of 6 feet from other individuals/families and children must stay with their families. If you are visiting a park, please visit the CDC's guide for Visiting Parks and Recreational Facilities before attending.

Please stay home if anyone in your household is ill or has had close contact with someone that has tested positive for COVID-19 or someone that has symptoms of COVID-19 within the past 14 days.

We are using guidelines from the CDC, State of New Jersey, and Gloucester County Health Department. Even as we follow these guidelines, as a public space and service, we cannot guarantee a germ-free environment. Attending an event is your decision based on the needs of you and your family. For patrons not comfortable attending an event, we are still offering virtual programs through our Facebook and YouTube pages.
