

Access UniversalClass

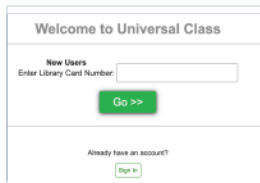

Access your library's Universal Class site in a browser at <https://gloucestercountynj.universalclass.com/>

Login with existing account credentials or click **“Create new account”** to create an account.

Note: You may browse before creating an account.

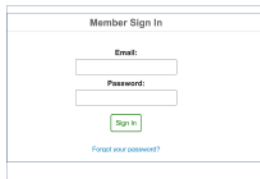

First time user:

Follow the on-screen instructions to create your new user account and sign in.

Existing user:

Enter your user information. Review terms and privacy policy. Click **“Sign In”**.

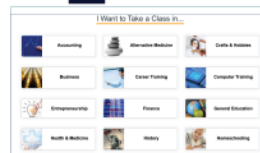

Explore UniversalClass

UniversalClass will open to your personal homepage. First time service opens to main search page. Returning user opens to personal activity dashboard.

Access the course catalog:

Select the **“course catalog”** to access available courses. There are over **500 courses** across **over 30 course categories**.

Join a course:

Course overview opens with simple self-guided prompts to review course objectives and lessons. Select to **“Join course”** in full CEU or Video mode.
